- ✓ Checks are made payable only to the university.
- ✓ Each university disburses funds according to its' own guidelines.
- ✓ University reserves the right to place a cap on the amount funds a student receives in a give term.

Financial support years 2 – 5 is provided by the GEM member university, and is contingent upon the GEM Fellow's acceptance and execution of a research or teaching assistantship as assigned by the GEM member university. The level of financial support received will be comparable to that received by other graduate students in the same field of study. Continuation of the fellowship will depend upon satisfactory progress towards the doctoral degree, as determined by the GEM member university.
